

LEARNING ITALIAN

ON-LINE UNIVERSITIES

The most easily accessible way to learn Italian is certainly via distance learning. For this reason the Italian system provides new distance learning structures or “tools” to become proficient in the Italian language.

The “GUGLIELMO MARCONI” TELEMATIC UNIVERSITY

instituted in 2004, is a non-State, legally recognised university specialised in e-learning. It offers a laurea degree of three years in Italian Language and Culture

UNIVERSITIES FOR FOREIGNERS

The two Italian universities for foreigners are State institutions specialised in teaching and research for the development and diffusion of the Italian language, literature and culture. They both offer laurea degrees of three years in Italian Language and Culture as well as laurea specialistica degrees of two years (to be completed after the 3-year laurea) in the same field. The University for foreigners of Perugia also provides an on-line laurea in Italian Language and Culture.
