2022
DAY 42: UKRAINE SUFFERS FROM BRUTAL, RUTHLESS AND LARGE-SCALE MILITARY AGGRESSION BY THE RUSSIAN FEDERATION. THE AGGRESSOR’S TROOPS ARE ATTACKING UKRAINIAN CITIES, SHOOTING CIVILIANS, BOMBING HOMES, KINDERGARTENS, SCHOOLS, COLLEGES AND UNIVERSITIES.

844 EDUCATIONAL INSTITUTIONS HAVE BEEN DAMAGED, AND 83 TOTALLY DESTROYED

www.saveschools.in.ua - website with the interactive map on ruined or destroyed educational institutions
On behalf of ENIC Ukraine team I would like to say how much grateful we are for the help and support that our colleagues, governments and peoples of other countries have shown to Ukraine. Now any support in various fields is important: humanitarian, political, economic and military.

On all international platforms Ukraine is asking for sanctions against the Russian Federation, including education sphere and academic cooperation. 280 rectors of universities in the Russian Federation signed a letter in support of the Russian aggression against Ukraine. Also, the Russian Federation has been laundering the degrees that come from the temporarily occupied territories of Ukraine for many years.

We believe that the Russian Federation has violated the principles of the Lisbon Recognition Convention part 3 of Article XI.6: “Termination or suspension of the operation of this Convention as a consequence of a violation by a Party of a provision essential to the accomplishment of the object or purpose of this Convention shall be addressed in accordance with international law”.

External Independent Evaluation (the EIE) (Зовнішнє незалежне оцінювання – ЗНО) is a learning outcomes` assessment system, and component of the admission procedure to higher education programs as an instrument of equal and fair admission in a form of competitive selection to higher education programs.
